Stairway to Heaven solo

12-bar blues progression in all keys

Trill exercises

Sunday

| Assignment | Progress | Comments |
|---|------------------------------------|--|
| Stairway solo - measures 1-2 | got to quarter = 60 | bends are a little out of tune |
| 12-bar progression in C and G | memorized progression in both keys | some chord changes aren't being played on the beat |
| Trill exercise between the index and middle fingers | quarter = 40 in 16th notes | need to work on evenness, too much tension |

Monday

| Assignment | Progress | Comments |
|--|----------------------------|--|
| Stairway solo - measures 1-2 | got to quarter = 66 | bends improving, but still a little off |
| 12-bar blues in D and A | memorized progression in D | memorize progression in A, rhythm still off |
| Trill exercise between the index and ring finger | 16th notes at quarter = 40 | need to relax more, thumb is pressing against neck |
